

**EMPLOYMENT OPPORTUNITY  
FULL TIME**

**LANDS MANAGER (internal posting)**

Anishinaabeg Of Naongashiing requires a Lands Manager who, under the direction of the First Nation Manager, will primarily be responsible for the effective management of land and its usage. The Lands Manager will plan/develop programs and services for land-use and development, being mindful at all times of the interests of the Anishinaabeg of Naongashiing cultures and traditions. The Lands Manager will be tasked with resolving land-related issues or concerns, working closely with community members, government officials, and members of council.

Anishinaabeg Of Naongashiing offers competitive salary packages, an incredible work environment, and career advancement opportunities.

**A complete job description is available on request.**

Qualified applicants are encouraged to apply:

**Salary: Negotiable based on experience & qualifications**
